Presenting the three titles in the Ballet School Confidential series, which follows a group of friends (and sometimes adversaries) during their time attending the Vancouver International Ballet Academy. Kaitlyn was the star at her old school, but the competition at VIBA is fierce and her reputation as a prodigy is threatened. About to turn 15 years old, Taylor is a bit of a scatterbrain. She's got a lot of potential, but the teachers are frustrated with her lack of confidence, and her troubles at school aren't helping. Alexandra has done everything right, and she's determined to become a dancer, but the teachers at VIBA seem to be against helping her. Julian, at 15, loves dance, so going to a professional ballet school seems fun even if it does take over every aspect of his life. Their time at the school will test them physically and mentally, and also teach them about the values of friendship and loyalty – and watching your own back in a fiercely competitive environment.
