"One night we took the big step. We'd had a big argument about something I did. We decided to see if swapping could bring us together and keep us together. Well, to make a long story short-it did! I think we love each other as much now, or maybe even more, than we ever did."

"What's all this leading up to?" Barbara cast a suspicious glance at him.

"I'm suggesting you and Peter give swapping a try."

Barbara shook her head.

Peter appeared interested. "How? Another party at Bart's?"

Will shook his head. "Why wait?" He cleared his throat and eased Kimberly forward. "Peter, ole buddy," he said, "how would you like to have Kimberly now?"

When Peter broaches the subject of perhaps extending their social circle by attending one of their neighbor's parties Barbara is less than convince, for the young inexperienced and slightly prudish wife knows about what happens at Bart and Jenny's - a full swinging extravaganza of bacchanalian proportions. And at first she is hesitant much to Peter's disappointment. But after witnessing him and two lust filled cavortees partake in a session of the utmost lascivious, our lithe young protagonist's interest is piqued.

Once her fears are allayed, she begins to lose herself in wild abandon as she finds fulfillment in the pleasures of multiple partners at the same time. But will this new-found wanton eagerness in his wife prove too much for Peter to handle?

Graphically described in a licentious prose that leaves little to the imagination, and featuring all manner of deeds and devices, from multiple-male/solo-female, to lesbian gamahuching and tribadism, this tale of taboo practices will leave all participants desperately wanting more.
