When ruggedly handsome English Mastiff Cynerik discovers an ancient Ohio mound that may hold answers to their dog-shifter history, he teams up with Chocolate Labrador Retriever Library Director Godiva Anglesey to prevent power-hungry werewolves from slicing off their mound to build a golf course. While sexy cowboy wolf Blaze tries to blow up the mound and tempt Diva from her dead end crush, werewolf alpha Sybilla challenges Diva to a Survival Test, Quadrathlon, and cook-off. Busy running her library, she has her hands full with a terrorist book-worm infestation and Sybilla's attempts to censor anthropomorphic books. And just when things couldn't get any worse, Diva learns family tradition dictates she marry by Summer Solstice... to a Druid. Diva and Cyn must work together to defeat the wolves to save their libraries. And protect the most important archeological site in dog-shifter history - and, just maybe, find love.
