The Games Patricia McLinn

Medals can be won, careers can be made, hearts can be lost. From the pomp of Opening Ceremonies to the good-byes of Closing Ceremonies, join three remarkable women during the Winter Olympics. Tessa Rutledge, once an Olympic champion figure skater, returns as a coach, encountering her first love – and heartbreak – and testing her ability to forgive. Alpine skier Kyle Armstrong has made a mistake that could cost her Olympic gold and any hope of reconciling with the man she loves. Biathlete Rikki Lodge is just happy to be at the Games, until she meets a hockey player who demands that she puts everything on the line. Let The Games begin! - - - - **Reviews** McLinn "wins gold with this sparkling romance! The Games is your ticket behind the cameras and inside the hearts of the winter Olympics." – Carla Neggers, New York Times bestselling author "Fast-paced, vivid and true-to-life ... captures the personal drama and compelling stories of the greatest sports event on earth. It's a gold-medal winner any fan of the Games will love." – Christine Brennan, USA Today sports columnist "The Games accurately portrays the emotional roller coaster an athlete rides . . . The pride, excitement, disappointment, relationships, doubt, relief, joy and all of the pressures . . . all come to a head at the Olympic Games." – Michael Weiss, U.S. Olympic figure skater "If the aim of The Games is to give readers a vicarious Olympic experience that is lively, entertaining, and emotionally satisfying, it hit its mark dead center." – Romance Reviews Today

From reader reviews:

Michael Chapman:

Book is to be different for each grade. Book for children until eventually adult are different content. To be sure that book is very important for all of us. The book The Games seemed to be making you to know about other know-how and of course you can take more information. It is rather advantages for you. The guide The Games is not only giving you a lot more new information but also to get your friend when you truly feel bored. You can spend your own spend time to read your e-book. Try to make relationship with all the book The Games. You never experience lose out for everything if you read some books.

Pearl McLean:

Here thing why this specific The Games are different and dependable to be yours. First of all looking at a book is good however it depends in the content than it which is the content is as delicious as food or not. The Games giving you information deeper as different ways, you can find any guide out there but there is no book that similar with The Games. It gives you thrill reading journey, its open up your personal eyes about the thing that will happened in the world which is might be can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. Should you be having difficulties in bringing the printed book maybe the form of The Games in e-book can be your option.

Lien Fugate:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider any time those information which is in the former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take The Games as the daily resource information.

Gary Carter:

As we know that book is significant thing to add our know-how for everything. By a e-book we can know everything we want. A book is a list of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This guide The Games was filled about science. Spend your spare time to add your knowledge about your science competence. Some people has diverse feel when they reading a new book. If you know how big advantage of a book, you can experience enjoy to read a guide. In the modern era like currently, many ways to get book that you simply wanted.
