The Mind and the Brain (Psychology Revivals)

Alfred Binet

The Mind and the Brain (Psychology Revivals) Alfred Binet

Originally published in 1907, this book explores the distinction between mind and matter.

Although Alfred Binet is best known for his contributions to the study of intelligence he had other extensive research interests and published widely in many areas of psychology. This reissue is an opportunity to explore some of that work, which includes consciousness and cognition as well as definitions of psychology.
