Acolytes: Poems Nikki Giovanni

A collection of eighty all new poems, *Acolytes* is distinctly Nikki Giovanni, but different. Not softened, but more inspired by love, celebration, memories and even nostalgia. She aims her intimate and sparing words at family and friends, the deaths of heroes and friends, favorite meals and candy, nature, libraries, and theatre. But in between, the deep and edgy conscience that has defined her for decades shines through when she writes about Rosa Parks, hurricane Katrina, and Emmett Till's disappearance, leaving no doubt that Nikki has not traded one approach for another, but simply made room for both.
