Balance (Off Balance) (Volume 1) Lucia Franco

Adrianna Rossi is no stranger to the rigorous demands required of her body. Years of pain and determination make her one of the best. Olympic glory is the ultimate goal, and she'll do anything to achieve it. Even if that means leaving home to attend World Cup Academy of Gymnastics, a training center that serves one purpose—producing champions. Perfection, precision, and dedication are required of his athletes. When two time Olympian Konstantin Kournakova is persuaded into training the young hopeful, he immediately regrets it. She doesn't come close to his high standards. As the relentless pursuit of her dream keeps her striving, a passion is ignited within him. Kova's power and domination, coupled with Adrianna's fierce tenacity, reveal there is more for her body to learn. Every interaction can be misconstrued, but there's no mistaking the darkening of his gaze, the lingering of his touch, or the illicit image of his bare skin pressed against hers. Integrity is on the line. One toe off the beam and their forbidden desires could ruin everything they've worked for, throwing it all off balance. **WARNING:** This novel contains explicit content.
