Do I Have a Daddy?: A Story About a Single-Parent Child Jeanne Warren Lindsay

Addressing single-parent families, this book helps kids with absent, deceased, and unknown dads talk about and deal with this often difficult situation. When Erik, a preschooler, is teased by other children about not having a dad, his mother explains that there are many kinds of fathers, and not all of them live with their children. The story serves as a conversation starter and can be adapted to meet a child's specific needs. Parents learn the importance of being honest while allowing their children to retain a positive view of the absent parent.
