What do you want to be when you grow up? That is the question tackled head-on in this third installment in the Dreary & Naughty series. Dreary undergoes some remedial instruction from his father on what it means to be the harbinger of human demise and, in the process, reaffirms that he's not on the right path to the future he wants. Naughty explores a similar matter with her father, who is visibly disappointed in his daughter's intentions about her future. Featuring the introduction of many new characters from the Dark Side of Town, including the rest of the Four Horseman of the Apocalypse and their heir apparent sons, The ABCs of Being Dead is the perfect read for anyone trying to answer questions about what they're going to do with their lives.
