Fit for the Fight!: The Vigilant Fight of Faith for My Husband, My Family, and Myself Brenda Stewart
"In a culture where there is a feast of literary works...there is a greater famine of genuine stories by authentic authors. Authors who have tasted the bitterness of life served without notice or warning. We know this story firsthand. We have observed the author both up close and at a distance. This is a story about a woman who has been relentless in her pursuit of victorious living in the heated battles of life. Pastor Brenda Stewart has been to hell and back. For more than twenty years, demonic forces have attempted to tear her life apart, tempting her to abandon her deep love for God and His purpose for her life. In this deeply candid and vulnerable life story...you will be both inspired and challenged. Inspired to rise above the darkness in which Satan desires to hold you captive and challenged to soar to the heights of victorious living always found above the storm. Fear will lose its grip and the faith that makes all of us "Fit For The Fight" will arise!" This personal story of Brenda Stewart's vigilant fight of faith for her husband, her family, and her self will give you the tools you need to see your loved one or significant other delivered from the bondage of drug addiction to obtain victory, joy and hope for life's journey with Jesus! - Drs. Mario and Regina Villela, Servants of the Streets Family Worship & Training Center, Elkhart, Indiana (USA)
