Hired 'Right' Out of College: From Classes to Career. A Step-by-Step Guide to Discovering the Career You Were Born to Pursue Garrett Miller

There is a simple formula for discovering and confirming the career that is right for students. Successful students learn to discover their strengths and evaluate the career path that most reflects their interests and aptitudes. The steps outlined in Hired 'Right' are essential, and the earlier they are completed, the more focused and motivated a student will become.

Hired 'Right' is not about being hired quickly, but correctly. The AEIOU formula for success will help to achieve this elusive treasure:

Miller says, "As a former recruiter for a Fortune 50 company, I was amazed by how many college students didn't know what they wanted to do upon graduation. Many had majored in a track that wasn't relevant to their career direction. Simultaneously, I was impressed by those relatively few students who knew what they wanted to do and who chose a major, activities, and experiences that prepared them for the interview we were having that day. My goal in Hired 'Right' Out of College is to help transform these former students into the latter."
