How to do a great job... AND go home on time Fergus O'Connell

Forget work life balance - discover how to be great at your job AND have a life. By the author of best selling *Simply Brilliant*.

- Hot topic: articles are printed daily about how we are spending more and more time at work and under stress. For example, July, 2004 *Irish Independent*, "one of the main causes of stress-related absence among employees is the pressure to meet targets, which 41% of bosses identified as a reason for people being out of work."
- There are books on time management but Fergus highlights that work/life balance is not about time management. Fergus puts a twist on this topical work issue.
- There's a real **need** for this book - people struggle with wanting to do a good job, be successful and have a life - it's a national preoccupation.
- Clear and powerful title pitch offering a clear **promise**.
- This book is witty, warm and wise - just like the author's bestseller *Simply Brilliant*.
