Pig Tales: A Narc's Story Dale Hoagland

Pig Tales follows a young man's career from his stint as a Berkeley police officer in the 70s to his time as an undercover narcotic detective in a rural county in California's Central Valley. It examines the war on drugs from a different point of view and explores the personal lives of narcs as well as how cases are really made.

The wild adventures of this undercover cop are relayed in humorous, and sometimes moving, stories that bring the cops, crooks, and informants to life during a time when police work was far less regulated. The characters involved on both sides of the law were colorful and sometimes outrageous. While *Pig Tales* recounts terrifying moments on the job, its style offers an entertaining and irreverent snapshot of what really goes on and isn't often talked about in law enforcement.

Readers will come face to face with these rich characters and the life and politics of the law enforcement profession in a way that is seldom done.

"Pig Tails is an insightful perspective into police work and the impact the work has on one's thinking, community, and sense of self."

~ Officer Scott Allen, Davis Police Department

"Pig Tales is an engaging, entertaining, boisterously funny account of the adventures of a rookie cop as he grows to become a seasoned veteran."

~ Michael P. Branch, author of *Raising Wild* and *Rants from the Hill*

"Pig Tales is without a doubt the best book I've read about the law enforcement profession in my 40 years in the field."

~ Lt. Jeff Hislop, retired. San Joaquin Sheriff's Department
