## The Formation of a Beast: Come Out of Her My People Lorraine White

A call from heaven to "come out of her My people" has been steadily growing louder. For over six thousand years the beast's identity has been concealed by the political structures and traditions of mankind within the kingdom of God. It stands right before our eyes yet we can't see it.

*The Formation of a Beast* strips off the cover of mankind which has blinded those that would desire to see and reveals the woman and the beast she rides. By bringing history of the kingdom of God into the forefront, the beast of Revelation and its rider are exposed. Find out just how the church, like Eve, has been deceived and has strayed from the truth. Events that formed the beast and how it governs the kingdom of man, while deceiving the church, is displayed for the understanding of those who will receive it.
