Three-Day Weekend [Refuge, Texas] (Siren Publishing Menage Amour) Lolita Lopez

[Menage Amour: Erotic Paranormal Cowboy Menage Romance, M/M/F/M/M, werewolves, HEA] All Shelby Mosley wants is a long weekend of R & R. Finding a wounded wolf smack-dab in the highway and taking shelter with his three owners in their secluded cabin isn't part of the plan. But something isn't quite right with these Blackhorse men. What the heck is up with all the wolf decor? And where do they get off smelling so deliciously good? That ought to be criminal! Shelby spends a wicked, wild night with the three men. But the cold light of morning brings a startling discovery. Alex isn't a wolf anymore. He's an injured man who wants to claim her. Con, Ty, and Chuck are also werewolves who believe she is their mate! When she learns Alex's injury was a first strike in a looming war against a new breed of grotesque creatures, Shelby is faced with a choice. She can flee the danger or she can stand with her men and face the coming nightmare. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
