A Taste of Honey

In the mood to try something sweet? How about a collection of stories about bears and the special men in their lives? Guys don't have to be in their twenties, perfectly sculpted, and hairless to be hot. Bears are *real* men with *real* bodies-and that doesn't always mean a perfect six-pack or an immaculately smooth chest. With bears, it can mean more man to love. The men in this anthology are chubs, cubs, grizzlies, pandas, polar bears, and more-all looking for a connection. And beneath their burly physiques are hearts of gold. Explore the bear scene and beyond with these big, hairy guys and the men who find them irresistibly sexy.
