American Slavery, Atlantic Slavery, and Beyond: The U.S. "Peculiar Institution" in International Perspective (U.S. History in International Perspective) Enrico Dal Lago

American Slavery, Atlantic Slavery, and Beyond provides an up-to-date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship. It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro-American context. Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon, comparing it often with slavery in the Caribbean and Latin America. However, since the 1980s, a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor. Building on this innovative scholarship, this book treats the U.S. "peculiar institution" as part of both an Atlantic and a wider Euro-American world. It shows how the Euro-American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment, reformism, and revolutionary upheavals; the Cotton Kingdom's heyday in a world of systems of unfree labor; and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation-building movements were widespread.

The particular book American Slavery, Atlantic Slavery, and Beyond: The U.S. "Peculiar Institution" in International Perspective (U.S. History in International Perspective) has a lot details on it. So when you check out this book you can get a lot of profit. The book was written by the very famous author. Mcdougal makes some research previous to write this book. This kind of book very easy to read you will get the point easily after reading this article book.

Shalon Dougherty:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's

country. Therefore , this American Slavery, Atlantic Slavery, and Beyond: The U.S. "Peculiar Institution" in International Perspective (U.S. History in International Perspective) can make you truly feel more interested to read.
