Melanie E. L. Bush

Everyday Forms of Whiteness: Understanding Race in a 'Post-Racial' World (Perspectives on a Multiracial America) Melanie E. L. Bush

The second edition of Melanie Bush's acclaimed *Everyday Forms of Whiteness* looks at the often-unseen ways racism impacts our lives. The author has interviewed and surveyed hundreds of college students and reveals that even though we talk as though we live in a "post-racial" world after the election of Barack Obama, racism is still very much a factor in everyday life. The second edition incorporates new data and interviews to show how the everyday thinking of ordinary people contributes to the perpetuation of systemic racialized inequality. The book introduces key terms for the study of race and ethnicity, reveals the mechanisms that support the racial hierarchy in U.S. society, then outlines ways we can challenge long-standing patterns of racial inequality.
