The Best Move Vlastimil Hort, Vlastimil Jansa

The Best Move is a collection of very hard chess problems based on actual grandmaster games. The reader is asked who has the advantage and why. Points are awarded not only for getting the answer right but for seeing deeply into the position. These problems are based primarily on the games of Grandmasters Hort and Grandmaster Jansa. These are not the typical “White to Play and Win” problems. Rather the reader is asked to decide who is better. These are very hard problems. Do not be surprised if you do not get any of them, or if you get them only by guessing.
