Reveal, explore, and celebrate the fascinating LEGO® story in The LEGO® Book. From its beginnings in a carpenter's workshop and the development of the first plastic brick, to the group's current position as an international brand, a timeline highlights key moments in LEGO® history.

Fascinating facts on every significant LEGO® product line, theme park, video game, artwork, competition, club, collectible and more combine with images from the LEGO Group's photo archives-many seen here for the first time-and inspiring ideas on how to make a variety of things from just a few bricks. Packaged in a beautiful slip case with cutting-edge design, this two-volume set also features *Standing Small*-a 96-page book celebrating the minifigure.
