## **Torah of the Street, Torah of the Heart** Rabbi Dr. Shmuly Yanklowitz

We live in a time of great uncertainty. The bonds that connect all people have seemingly broken down, substituted by feckless partisan demagoguery and endless distractions from social media & pop culture. Our foremost concern is to rectify the problems within society to make the world a more just and peaceful place. Through the lens of Torah, the guiding light of the Jewish people since time immemorial, Rabbi Dr. Shmuly Yanklowitz explores the many paths that lead to a more just world. In TORAH OF THE STREET, TORAH OF THE HEART, Rav Shmuly tackles contemporary issues of great consequence, including: the need for more organ donations, abolishing the death penalty and solitary confinement, action to stop the Syria crisis, combating hate in society, and more! By accepting a place for a Divine role in social change and moral development, we can ensure that the world we envision for our child and grandchildren is the world we can live in today.
