Complexities of Higher Education Administration

Based on extensive experience in administration, in teaching, and in running workshops for administrators, the authors have assembled a collection of cases focused on topics common to academic administration. This book:

- * offers sixteen generalized cases based on real situations
- * combines higher education administration and communication theory
- * includes indices for selecting cases by institution type, level and constituency, issues and tasks, and communication skills
- * is a valuable resource for practicing administrators
- * is an ideal text for graduate courses in educational administration, organizational communication, and management.
