## **Exterior Structures** David Berg

This new continuing education text examines the exterior structures that contribute to the appeal of a home: porches, decks, balconies, garages, carports and basement walkouts. Exterior Structures offers real estate professionals guidance on recognizing common problems and signs of non-performance with steps, railings columns, beams, joists, floors, roofs, skirting, doors, drains and walls.

Benefits of this book:

- \* Technically precise illustrations enhance student learning through visual reinforcement
- \* Learning Objectives, Key Words and margin notes emphasize important concepts
- \* Quick Quizzes reinforce the material and allow students to monitor their progress
- \* Final exams with answer key are available through Dearborn's web site
