**Rise (The War Witch) (Volume 1)** Cain S. Latrani

**In the war between Heaven and Hell, mortals are the weapons.** Granted Divine Power, the Blessed are agents of the Gods, seeking out the Demon Seed and showing them no mercy in an endless war for the fate of creation. For one such Blessed, Ramora, mute warrior priestess of the God of War, saving the Middle World means hunting down the Dark Blessed who took everything from her. A fierce, strong, and clever Cleric, backed by a lost art of magic, she foolishly believes herself ready for the battles to come. By her side, Chara, a young farm girl with an unusually agile mind, and a fate that may yet destroy her as she's groomed by Heaven itself to be a weapon like none other. Her illusions of herself, and the nature of the world, will be stripped away as she faces absolute evil with nothing but her desire to stand firm. Together, they will challenge Hell, and the most fearsome foe the world has ever seen.
