Look again. For the first time. That's the powerful paradox of vuja de. You're familiar with deja vu, an unfamiliar place that seems strangely familiar. Vuja de is the ability to look at something very familiar like you have never seen it before. That's where disruptive innovation and game changing ideas come from. This is the second book from Steve Moore based on transcripts from his popular monthly video blog (vlog), Learning @ the Speed of Life. Steve's vlog is a fresh and insightful combination of the best ideas from leadership and organizational development applied to the world of church and mission leaders.
