Life begins at 16 ...

Driving. Dating. A real social life. And the one night where it all comes together ... the Sweet Sixteen is the ultimate party. Whether a total blast or a total bust, it's a memory to last a lifetime.

Now you're invited to six Sweet Sixteens, in six locations across the country. The party is just getting started ...

LUCY moved from one suburb of Chicago to another and reinvented herself as a preppy good girl. When she met her new boyfriend, she invented yet another identity. Now she's invited to three can't-say-no Sweet Sixteen parties, and it's going to take a miracle, and several costume changes, to pull off the charade.
