America Peter Lik, LIK Squared

In this breathtaking collection of fine art photography, Peter reveals the raw, natural beauty that has captivated him since he first stepped foot on American soil in 1984. The nation's ever-changing landscape was unlike anything he had ever seen. All four seasons create a palette of color that transformed with every state he traversed. Now, Peter's 30-year exploration - from the snow-capped mountains of the West, to the vibrant fall foliage of the East - comes to life in this visual journey. Over 160 newly revealed photographs mark a poignant moment of amazing discovery in the life of a Master Photographer. This is Peter's America.

- Featuring a screen-printed, fabric spine and 9mm blackboard, foil-debossed covers, each masterfully crafted book is finished with a black painted edging.
- Due to the incorporation of uniquely delicate, artisanal materials, we highly recommend your copy remain in its protective slipcase when not in use.

In order to see the represented of the world in this particular book.

Nicholas Thiede:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this America can make you feel more interested to read.
