Basic Tracking is the essential guide to take on your next wilderness adventure. Having knowledge of the surrounding terrain and basic animal behavior allows trackers to save valuable time by predicting the animal's movements. Basic Tracking also provides instructions on how to track them through landscape usage. This compact and waterproof folding guide will highlight the seven types of signs that point to which animals passed by, what they did, where they went, and much more. Developed in collaboration with noted survival expert and woodsman Dave Canterbury, this is one of a 10-part series on survival skills. Made in the USA.
