When we hear the word prostitution, most of us think of brightly dressed women being herded into police cars in the middle of the night. But the fact is that there are also many male prostitutes, hustlers, working the streets of most every American city. These men, many of them teenagers, sell their bodies and sometimes their souls to scratch out a living. BFF's BEHIND BARS tells the story of two such young men, one of them blond and experienced, the other dark and tender. They meet on the streets, but their friendship really begins when they fight to survive the rigors of prison life together. Richard and A.J. have each seen plenty of the unhappy side of life and we can only hope that they can, through each other, experience a few of life's more pleasant moments.
