#### **Clara Radtke:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Eurostat Regional Yearbook 2007 can make you sense more interested to read.
