# Following Darkness (20th Century)

*Forrest Reid*

**Following Darkness (20th Century)** Forrest Reid

'A masterpiece.' - E. M. Forster

'[A] strange, sinister, and unforgettable story.' - *Manchester Guardian*

'Forrest Reid has . . . beautiful, rhythmical prose, a true and permanent voice.' - John McGahern

'None of our contemporaries can describe childhood and youth as truly as he does.' - V. S. Pritchett

When *Following Darkness* first appeared in 1912, critics did not know what to make of it. Sentimental novels of childhood and adolescence were popular in the Victorian and Edwardian eras, but here was something completely new in English fiction, a book that explored a teenager's thoughts and emotions with unflinching honesty. One leading critic denounced the novel's protagonist Peter Waring as a 'subject for the pathologist rather than the novelist,' an 'evil' character who 'unutterably disgusts', and the book's allusions to Peter's sexual awakening and his rejection of Christ disturbed contemporary readers.

*Following Darkness* is the story of sixteen-year-old Peter's conflict with his staunchly religious father, whose religion and values Peter rejects with contempt, his burgeoning friendship with Owen Gill, and his growing passion for Katherine Dale. With keen psychological insight, Reid creates in Peter a complex and fascinating character: morally ambiguous, deeply flawed, snobbish, conceited and selfish, yet ultimately sympathetic. Acclaimed as a masterpiece by E.M. Forster and a possible influence on Joyce's *A Portrait of the Artist as a Young Man* (1916), *Following Darkness* was unlike any novel that had preceded it, and it remains one of Forrest Reid's most interesting works. This first-ever republication of the novel includes a new introduction by Andrew Doyle.

#### David Fulton:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Following Darkness (20th Century) can be the answer, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

#### Alva Stephenson:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Following Darkness (20th Century) can make you sense more interested to read.
