'The Adventures of Tom Sawyer' remains a coming of age classic that needs no introduction and its first sequel 'Huckleberry Finn' has been called the greatest of great American novels. Few have read 'Tom Sawyer Abroad' and 'Tom Sawyer Detective' but both novellas are minor gems and recommended to fans of the franchise and Twain devotees. There's something here for everyone, from the young to the old, the lowbrow to the high. Four classics that represent the full range of that giant of American literature who still looms large over the reading culture.
