## **Wind River (High Meadows Trilogy) (Volume 1)** Connie Seibert

Wind River is a story of two young women who are thrown together through unusual circumstances. Maxine Mayfield, all Texas cowgirl, is determined to find her brother in the Wind River area of the Dakota territory. Angel Hawkins, straight from the Arkansas mountains, has no family who will take her in. Her only hope is to find a way to survive in one of the small towns that had sprung up in the Colorado territory. These two young women must learn the hard way to trust each other as they embark on a journey that will change their lives forever. Wind River takes you on a journey from the southern part of the Colorado Territory to the Wind River area of what was known in 1859 as the Dakota Territory. Be prepared to laugh a little, cry a little, and cheer a lot as cowboys, soldiers, Indians, and trail-bosses dance across the pages of this wild western adventure.
