Feeling guilty about the amount of statutory material you assign? Now there's a statutory supplement that saves time, increases comprehension, and makes inaccessible statutes accessible -- and it's a version of the supplement you already know and trust.

VisiLaw is the soon-to-be-patented, award-winning marking system that makes complex statutes easy to read. Four out of five commercial law students chose the VisiLaw Marked Version over the Standard Version. These features are unique to the VisiLaw Marked Version:

- Each mark has the same, clearly defined meaning in every appearance
- Primary sentence structure is visible at a glance
- Underlining creates readable sentences-within-sentences
- Cohesive phrase marks indicate words that should be read together
- Standardized marks facilitate a variety of reading strategies
- Boldface makes paragraph numbers and letters unambiguous
- Variable spacing separates paragraphs
- Square paragraphs, indented by steps, keep readers oriented
- Identical in coverage to the Standard Version, so each of your students can make his or her own choice.

Make the VisiLaw Marked Version of the Bankruptcy and Article 9 Statutory Supplement an option for your students this fall.

Benefits to the professor:

- Provides a foundation for teaching statutory analysis
- Students prefer VisiLaw marked statutes and will appreciate your recommendation
- Students in the same class can use different versions
- Students can read more statutes in the same time
- See features of statutes you've never seen before
- Saves the time you used to spend marking statutes -- year after year
