Lady Scarface 1 & 2: Special Combo Edition Divine Ortiz

Lady Scarface When eight year old Tiana Brantz witnessed the cold blooded murder of her loving parents right before her eyes, she became Lady Scarface.....though at the time she didn't know it. The same bullets that sent her parents to heaven also left a scar on her beautiful face and in her broken heart. Designated as a ward of the state, Tiana, with the help of her "brother" Shabazz, manages to survive 10 years in the Baychester Diagnostic group home for adolescents. Once she is released from Baychester, Tiana finds herself in a whole new world with decisions to make. And decisions she does indeed make. On the surface, Tiana is the picture of poise and grace, rising to the top of the judicial scene as one of Atlanta's best Federal defense attorneys. However, underneath that elegant exterior is a murderous spirit, fueled by a thirst for blood and violence. Ms Brantz is definitely destined for greatness.....but so is Lady Scarface. Tiana takes no prisoners and shows no mercy, in the courtroom or on the streets of New York, where her brother oversees her empire. She is rich, beautiful, loyal and intelligent and along with Shabazz sets out to make a killing, literally, rolling over anybody that gets in her way. Most women wouldn't dream of getting their nails dirty. Most women would back down from confrontation. Most women would avoid death at any cost. But most women are not Tiana Brantz. Tiana Brantz is Lady Scarface!

Lady Scarface 2 The streets of Atlanta had no idea what hit them...until it was too late. Lady Scarface thought everything was going great...until she was arrested for murder. Tiana brings her crew to Atlanta and the streets will never be the same again. By the time the streets realize what has happened, it is too late. The New Yorkers encounter some resistance along the way, but it's nothing that they can't handle. They do what they do when it comes to obstacles...remove them. Life is good for Lady Scarface, until she is arrested...for murder. On the streets, guns and death have solved all of her problems in the past, but her Desert Eagles wont help her in the Atlanta City Detention Center, nor will they help her in the courtroom, where she is fighting for her life.
