Reimagining Sanity: Voices Beyond the Echo Chamber Paul Haeder
REIMAGINING SANITY: VOICES BEYOND THE ECHO CHAMBER:

In this collection of sardonic and synergistic diatribes, radical teacher and writer Paul Haeder confronts six decades of America's great slide into the intellectual muck that is today's neoliberal morass. In these literary incantations, the iconoclastic Haeder fights against the trappings of a world gone mad while simultaneously contemplating the missed chances of his own life. Collected over a decade of writing for the radical blog Dissident Voice, the wide range of essays vary in stylistics, shifting voices and points of view, but are all underpinned by Paul's fearlessness. They come crashing together to spark a rarefied bonfire of truth rising from the ashes of propaganda and doublethink. *Reimagining Sanity: Voices Beyond the Echo Chamber* is a white-water rapid rush, a free-fall into the heart of American darkness. (Paul Haeder *Reimagining Sanity*)
