Seasons Of The Soul Concepcion Cabrera de Armida (Conchita)

Conception Cabrera de Armida (Conchita) saw the spiritual life as an ongoing maturation through the various seasons of the year which continuously repeat themselves over and over again until the soul has fulfilled its purpose here on earth. From the first Springtime of the soul until it has weathered its last Winter, the Holy Spirit is at work gradually transforming the soul into the image and likeness of Jesus, the Father's highly beloved and only-begotten Son. A careful reading of these pages will give a very clear insight into the depth of this saintly author's own growth in holiness. Truly another classic in the area of Roman Catholic spirituality!
