The Sisters of Kirley: Defenestration for Beginners A I West

Throwing a bishop out of a window, no matter how humorous, is never advisable and often leads to serious consequences. In the case of *The Sisters Of Kirley*, that means excommunication, which doesn't look good on a CV and considerably lessens your job prospects. This is the premise upon which this individualistic humorously bizarre fantasy fiction book is based. But things soon look, up as the Sisters have a stroke of good fortune with the horses at the local bookmaker's and the discovery of a Gutenberg Bible and some other rather valuable books in the convent library. With their future secured, life is looking pretty good and the Sisters settle down into their new lives. But life is never that simple. Things lurch backwards once again with the appearance of Dr Francis K Town, who seems to be over seven hundred years old and has an unearthly interest in nearby Dead Monks Tor. Just why does the National Grid have to be diverted to the Tor? Soon the ex-Sisters find themselves embroiled in an unlikely plot involving an alien tourist and his henchman to take over the world. But just how do you go about saving the world? The Sisters have no idea, and so, as you can't do everything yourself, they enlist some rather far-fetched help from some unusual sources. And as for the llamas... well, that would be giving the game away, though it can be said that they do play an integral part in the unfolding events. So who will save the day? The ex-nuns? Igor the gargoyle? The rather questionable policemen? Or Sir Roger, the medieval knight resurrected in case of emergency? Be prepared to be surprised by the somewhat dubious finale as the final showdown takes place on the night of Kirley Policeman's Ball (an event not to be missed and for which even Kirley's forger-in-residence cannot produce enough tickets). Along the way, marvel at the evil machinations of a mad alien, find out why llamas don't run in the Derby, enjoy the spectacle of the world's first documented case of a battle between circuses and positively cringe at the musical renditions of the Kirley Women's Guild! If you enjoy Robert Rankin and Tom Holt, then you'll enjoy this book as the characters stumble from one unlikely hilarious scenario to another. Be seriously amused by this unlikely combination of madcap characters, bizarre events and downright crazy developments. A must-read debut novel that is predicted to take the Kindle humour category by storm.

Curtis Salas:

Your reading 6th sense will not betray an individual, why because this The Sisters of Kirley: Defenestration for Beginners guide written by well-known writer who knows well how to make book which might be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still doubt The Sisters of Kirley: Defenestration for Beginners as good book not just by the cover but also by the content. This is one book that can break don't assess book by its deal with, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading sixth sense already said so why you have to listening to another sixth sense.

Bonnie Mentzer:

In this time globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended to your account is The Sisters of Kirley: Defenestration for Beginners this publication consist a lot of the information on the condition of this world now. That book was represented just how can the world has grown up. The words styles that writer use to explain it is easy to understand. The particular writer made some analysis when he makes this book. Here is why this book suited all of you.

Daniel Nelson:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach

Chinese's country. So , this The Sisters of Kirley: Defenestration for Beginners can make you really feel more interested to read.
