Stella Jackson would rather stab herself in the eye with her own stiletto than return to England. Especially in winter. But to fulfill her grandfather's last wish, she has to spend Christmas at the estate she inherited from him...with the one man *she* wishes she could forget.

Self-made millionaire Evan Foss wants one thing from Stella—her estate. But thanks to their rocky past, he's the last person she'll sell to. So when she takes him up on a bet, with the estate as the prize, Evan can't believe his luck. The only problem is that seeing her now, sexy and all grown up, tempts Evan to finish what started years ago between them.
