## **A Career as a Construction Manager (Essential Careers)** Ann Byers

While many sectors of the job market remain unpredictable, and some are in decline, construction remains an industry and career path with excellent prospects. For those who are handy, have managerial skills, and are willing to put in the work and education, a career as a construction manager can be an excellent fit. This book provides extensive guidance on the education, training, work experience, and personal characteristics necessary to enter and excel in this career, with special emphasis on green, or environmentally conscious, construction.
