The Crimson Tide have won 16 national championships (more than any other school), produced more than 100 All-Americans, and sent more than 200 players to the NFL. Alabama is arguably the most successful and most prestigious college football program in history, shaped by proud players wearing the Crimson and White and molded by hugely successful coaches. In *Crimson Nation*, Voice of the Crimson Tide Eli Gold shares what he sees as the greatest moments that shaped the Alabama football program. Recalling everything from the beginning of radio broadcasting to the four recent national championships under Nick Saban, this book gives a private look into Bama football.
