What happens to the happily ever after when the ever after has already happened? A "spirited" courtship indeed! Jane Austen's much adored *Pride and Prejudice* is transfigured in this Regency adaptation. That fickle friend Fate intervenes when an unexpected event threatens the happily ever after of literature's favorite love story. The gentlemen from Netherfield have left, winter is upon the land, and after a horrifying carriage accident, Elizabeth Bennet finds her spirit transported as if by magic into Mr. Darcy's London home. Paranormally tethered to the disagreeable man, it doesn't help that he believes she is a phantasm of his love-struck mind and not the real Elizabeth. Somehow they must learn to trust, learn to love and learn to bring Elizabeth back to her earthly form before it is too late.
