History and the Historians (Access to History)

John Warren

History and the Historians (Access to History) John Warren

History and the Historians provides a lively introduction to the writers of history from Classical times to present day. The author bears in mind the needs of students by offering a framework for evaluating historians' work and providing extracts from their writings. He also discusses the value of history in its widest sense, including such issues as the distortion of history and its use for political ends.
