#### **Joyce Martinez:**

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Introductory Logic: Student (3rd edition) can make you experience more interested to read.
