It is 1981. Jean Landing secretly plans to flee her beloved Jamaica—the only home her family has ever known, a place now rife with political turmoil. But before she can make her final preparations, she receives devastating news: Lana, her sister, is dead. The country’s state of emergency leaves no time to arrange a proper funeral. Even Jean’s mother, Monica, who hadn’t spoken to Lana in more than a decade, cannot fully embrace her grief.

The tragedy only underscores Jean’s need to leave an island that holds no promise of a future. Her harrowing journey to freedom across a battered landscape takes Jean through a terrain of memories: of her childhood, with a detached mother at odds with an adoring father, of her complex bond with Lana, and of the friends and lovers who have shaped and shared her days. Epic in scope, **The True History of Paradise** poignantly portrays the complexities of family and racial identity in a troubled Eden.
