Copyright Law in a Nutshell (Nutshells) Mary LaFrance

This product offers a compact yet comprehensive and up-to-date overview of U.S. copyright law in an uncluttered and readable format. Coverage ranges from the fundamental concepts of originality, authorship, and infringement to the highly technical rules governing digital phonorecord deliveries and digital public performance rights in sound recordings, the safe harbor provisions that limit the liability of Internet service providers, and the anti-circumvention and copyright management information provisions of the Digital Millennium Copyright Act. The evolving doctrines of fair use and contributory liability are also given thorough attention.
