It's getting to be that time of the year again... the time of the year where you have to say goodbye to the flip flops and bare feet, and get used to running around the house in cozy socks and slippers.

Of course you are sad to see the flip flops get packed away for another season, but nothing can beat the warm and cozy feeling you get when you slip on your very favorite pair of socks and snuggle up with those you love.

There's just something so comforting and warm about a pair of socks on a cold winter day, especially when there is that extra special touch added to the socks... the homemade touch. For some reason, when you get something made just for you by someone special, that item becomes extra special, too.

And you know that's what you want to do for your family.

When you can crochet, you have the world at your fingertips. You can make anything you can imagine, including an army of socks for the entire family. I know socks can be intimidating at first, but trust me, the more you practice, the easier they are going to be, and in no time at all you are going to be a master.

This book is going to help you get there. Whether you have made socks before or this is your first time, you are going to find patterns you can't help but fall in love with. Make a pair of each for everyone in your family, then make a pair for yourself.

When it comes to the world of crochet socks, you simply can't go wrong.

- Find the perfect patterns to create the best socks for your family
- Mix and match the colors of the socks for unique looks every time
- Have fun with the socks you make and throw in your own flare
- And more!
