Florence Sketchbook (Sketchbooks) Lucien d'Azay

Florence – capital of Tuscany, birthplace of the Renaissance, and a UNESCO World Heritage Site -- is shown in this book through the depictions of its architectural wealth, iconic monuments and its working-class areas. From churches to museums, gardens to palaces, and small squares to twisting narrow streets, Fabrice Moireau has created a vivid portrait of the city where the Medicis, Leonardo da Vinci, and Dante Alighieri once lived. The artist's palette reveals the grandeur of the history of Florence, as well as its charms and atmosphere.
