Plastic Angel Nerissa Nields

A moving, funny first novel by an acclaimed singer-songwriter about friendship, music, and being true to who you are--even if it means disappointing your parents and everyone around you.

That was then: Angela has been a child model all her life, the baby on the cake mix box, the cutie pie in the toy commercial. She was mom's pride and joy, the celebri-toast of her tiny town. Back then choices, priorities, and rules were made for her. No one thought to ask 'Gellie' what she wanted to do, nor had she asked herself. She was a sweet and obedient cipher, a plastic angel.
