**Psychology Express: Cognitive Psychology (Undergraduate Revision Guide)** Jonathan Ling, Jonathan Catling, Dominic Upton

This revision guide provides concise coverage of the central topics within cognitive psychology, designed to help you focus on assessment and exams. The guide is organised to cater for QAA and BPS recommendations for course content. Sample questions, assessment advice and exam tips drive the organisation within chapters so you are able to grasp and marshal your thoughts towards revision of the main topics. Features focused on critical thinking, practical applications and key research offer additional pointers for you in your revision process and exam preparation.

A companion website provides supporting resources for self testing, exam practice, answers to questions in the book, and links to further resources.
